

# Carriage Crest's PTSA CERT Raffle

To encourage trained disaster support of our school we are going to be raffling off incentive gifts. Two levels of volunteer support exist for our school with different raffle pools for each. If you are willing and able to join the **Carriage Crest CERT team**, we are raffling off customized Deluxe 2 person 72 hour kits and a few other optional items. The high quality kits often sell for \$80 or more.

**Carriage Crest extended CERT support** is another group for those who would still like to offer their help but are less likely to be available in an emergency. This includes our parents who might generally work more than part time or live quite a ways away or have other response priorities. In a significant disaster you *\*might\** be able to help but if so, probably be significantly delayed. For this group we are raffling off an assortment of gifts, including smaller one person 72 hour kits.

For a complete list of CERT training raffle items check the website [www.ccptsa.com/emergency/CERT](http://www.ccptsa.com/emergency/CERT). You can fill out your application and submit it by email or by mail. The raffles are held 2 weeks after the last class ends in the spring and fall. You can submit your raffle registration any time during your CERT class. I will just verify that you completed the training. You will be contacted and given an opportunity to select a prize from the raffle pool.
